## Our Specialists

### **Rajiv V. Datta, MD, FACS, FRCS, FICS**

Medical Director, Mount Sinai South Nassau  
Gertrude & Louis Feil Cancer Center Chair,  
Department of Surgery  
Chief, Division of Surgical Oncology and  
Head & Neck Oncology  
Professor of Surgery at the Icahn School of Medicine

Dr. Datta established Mount Sinai South Nassau's Surgical Oncology Program in 2001. He is trained in surgical oncology and head and neck surgery with a special interest in thyroid/parathyroid, head and neck tumors, breast cancer, skin cancers, and soft tissue cancers. He trained at Grant Medical College and Tata Memorial Cancer Center in India, with advanced training in plastic surgery and surgical oncology in the UK, prior to a research fellowship at Memorial Sloan-Kettering Cancer Center. He completed a dual fellowship in surgical oncology and head and neck surgery at Roswell Park Cancer Institute in Buffalo, New York and then served on the faculty of Maimonides Medical Center and Coney Island Hospital. Dr. Datta is also fluent in Hindi and Punjabi.

### **Rohit Ranganath, MD**

Endocrine, Head and Neck, General Surgery

Rohit Ranganath, MD is board certified in General Surgery and specializes in Endocrine and Head and Neck Oncology. He earned his medical degree at Rajiv Gandhi University of Health Sciences in India and completed residency in Otolaryngology and Head and Neck Surgery. He completed General Surgery residency training at Mercy Catholic Medic Center in Darby, PA, followed by a fellowship in Head and Neck Endocrine Surgery at The Johns Hopkins Hospital in Baltimore, MD.

He specializes in minimally invasive endocrine surgery for thyroid, parathyroid and adrenal disorders and head and neck cancers. In addition, he offers laparoscopic and robotic surgery for ventral, hiatal and inguinal hernia repairs and gall bladder disorders. His treatment philosophy is to deliver personalized high-quality care.
